U.S. EXPORT SALES

- Outstanding Export Sales
(Unshipped Balances)
On November 23, 1975
 - Export shipments in
Current Marketing Year
 - Daily Sales reported
Nov 24 - Dec 2, 1975
- As Reported by Exporters

Readers of this release are cautioned that it reports sales commitments outstanding as of the date indicated, all of which are subject to modification, deferral or cancellation by mutual agreement of the parties. It is unlikely that all reported quantities will be exported. Our experience with this monitoring system suggests that sales are apt to exceed exports, sometimes by substantial amounts, during periods when supplies are in balance with expected demand. Actual shipments to date may provide a more reliable measure of current export activity. A meaningful export projection is not obtainable by the simple device of adding outstanding sales commitments to exports to date.

EXPORT SALES REPORT

Comments on release of December 4, 1975 (based on reports from exporters during the week ending November 23, unless otherwise noted):

Wheat: The apparent export commitment (cumulative exports plus outstanding sales) for 1975/76 increased by 393,700 metric tons (MT), the smallest weekly increase since the first week in September and only one-half the weekly average for the year. Some of the larger increased commitments were to Japan (83,400 MT), Republic of Korea (82,100 MT), and Algeria (73,900 MT). Commitments to the USSR increased by 63,750 MT, apparently reflecting transfers from sales previously reported as either optional origin or sales to other destinations. The 110,000 MT of buy-backs and cancellations shown on page 3 of this report includes significant changes in class of wheat as well as changes to optional origin.

Feedgrains: The apparent export commitment for feedgrains in 1975/76 increased by 342,600 MT to a total of 21.1 million MT. Corn commitments rose by 322,000 MT with major increases to the European Community (EC) of 222,500 MT and to the USSR of 130,700 MT. The increase in commitments to the USSR reflects transfers from optional origin rather than new sales. Buy-backs and cancellations jumped to 190,000 MT, more than triple the 59,000 MT reported last week. A significant portion of the cancellations was represented by 104,000 MT to Poland, although these were partially offset by new sales to Poland and changes to Poland from other destinations.

Rice: The apparent export commitment for 1975/76 increased by 30,000 MT, almost half of which was accounted for by a sale to the USSR, the second to that country reported this marketing year. The export commitment to the USSR now stands at 38,700 MT, more than triple the 10,100 MT shipped last year.

Soybeans: The apparent export commitment for 1975/76 increased by 98,700 MT, primarily reflecting increased commitments to the EC and Canada. Commitments to Japan and unknown destinations declined. Exports during the week totaled 434,200 MT, of which the EC took 297,000 MT; Israel, 43,500 MT; Japan, 35,900 MT; Spain, 23,200 MT; Poland, 20,300 MT and Republic of China (Taiwan), 14,300 MT.

According to news reports, the Peruvian government temporarily suspended fishmeal exports on November 25. Consequently, FAS estimates that Peru's 1975 fishmeal exports will not exceed 800,000 MT or 1.16 million MT soybean meal equivalent. This represents a 20 percent decrease from our July export forecast. During the period January-November 18, 1975, Peru's anchovy catch totaled slightly over 3.0 million MT.

Soybean Oilcake and Meal: The apparent export commitment for 1975/76 increased by 80,600 MT, primarily reflecting increased commitments to the EC, Poland, East Germany, and Spain. Commitments to unknown destinations decreased. Exports during the week totaled 100,400 MT, primarily to the EC, 53,600 MT; Poland, 24,700 MT; Spain, 12,300 MT; and Canada, 5,000 MT.

Soybean Oil: Exports during the week totaled 22,100 MT, the largest weekly volume shipped so far in 1975/76. The major takers were Yugoslavia, 11,900 MT; Bangladesh, 4,800 MT; and the Dominican Republic, 4,100 MT.

Cotton: The apparent export commitment in 1975/76 for Upland cotton declined slightly primarily as a result of buy-backs or cancellations of sales to Hong Kong and Japan. Activity in world cotton markets continued the quiet tone of recent weeks. Foreign asking prices were about unchanged while U.S. quotations gained about 3 cents in the wake of firmer U.S. spot and New York futures prices.

OUTSTANDING EXPORT SALES AND EXPORTS - 1975/76 MARKETING YEAR
